Skills

I work well with others, and have a motivating personality. I have worked in a detention facility for over 3 years. I have a good understanding of case law and legal obligations of inmates. My verbal de-escalation skills have proven invaluable with my job at the Sheriff's Office. I have a passion for gaining knowledge and learning what I need to thrive. I am a quick learner and retain knowledge well.

Experience

Weld County Sheriff's Office/ Detentions Deputy
January 2022 - Present, Greeley CO
I am currently a Detention Deputy at the Weld County Jail. My job entails making sure that inmates of the Jail remain safe and all legal obligations followed while in custody. I am also a part of the Bloodborne Pathogens team, a member of the Emergency Practicals team, Crisis Intervention Team (CIT), and a Field Training Officer. Soon to be Peace Officer Standards and Training (POST) Certified.

M & M Property Management/ Maintenance tech
July 2021 - December 2021, Parker CO
I was the property maintenance tech for over 70 properties across the Denver area. I worked on most problems on properties ranging from pools to holes in the walls. My job goals were to keep properties running and functioning smoothly.

Maxx Properties/ Maintenance tech
September 2020 - July 2021, Aurora CO
I was a property maintenance tech for Maxx Properties. I worked at Oak Ridge Apartments fixing problems in units and turning units for the next residents. I worked on most problems in the apartments from pools to holes in the walls. My job's goal is to keep property running and functioning smoothly.

Sagewater/ Plumbers assistant
January 2020 - September 2020, Denver CO

I was a plumber's assistant for Sagewater. I helped the master plumber with the drain and vent for the repipe jobs. I also have helped with insulation of the copper pipes.

ASR Companies / Technician III

July 2017 - December 2019, Lakewood CO

I was a Technician III for ASR Companies. I worked in the concrete and waterproofing division. My job was to assist the project manager or foreman onsite. I helped where needed to bring up the attitude of crew members, and ensure the jobsite ran orderly and on schedule. I also drive trailers and flatbeds to deliver needed materials to sites. I repaired concrete mainly in parking garages and also did caulking and worked with many different types of waterproof coating.

Education

Aims Community College / Peace Officer Standards and Training (POST) Certificate

2025 - Current, Windsor CO

Going through class to obtain myPeace Officer Standards and Training (POST) certificate. Graduation date is May 17th, 2025.

Warren Tech / Automotive Customization Certificate

2015 - 2016, Lakewood CO

Went for autobody and auto customization and at the end of my year I received 2 certificates of completion from Red Rocks Community College.

Strasburg High School / Diploma

2017, Strasburg CO

I graduated from here in 2017.
