Mr. Andrew Fraieli,

Your request for the release of Internal Affairs (IA) reports involving former LCSO employee Gannon Brown has been reviewed by this office. CRS § 24-72-303(4)(a) requires the release of completed internal investigations that examine the conduct of officers in contact with a member of the public, while on duty/in uniform, where misconduct is alleged. Internal affairs investigations involving Mr. Gannon that meet the above criteria have been released to you.

After conducting a balancing test regarding additional internal affairs reports that do not meet the criteria outlined in CRS § 24-72-303(4)(a), request for those report(s) is being denied pursuant to CRS § 24-72-305 and § 24-72-204(3)(XIII). If you are still in need of a copy of the records after reviewing this letter, you will need to obtain a court order.

Sincerely,

Ellen Nielsen
