All, Officer Mike Antorino has tendered his resignation effective immediately. The words below are from Mike:

"This email serves as my official intent to resign from the City of Greenwood Village.

When I came here 5 years ago, my goal was to create an SFST program that rivaled that of Arvada's. Thanks to the hard work, attentiveness, and dedication you all have given over the past few years, I believe we have accomplished that goal. I just wanted to thank yous all for buying into what Brad and I were selling and all the effort you put into becoming more proficient in DUI investigations. Not to be clique, but the hard work you do in relation to that, ensures that some innocent soul makes it home alive to their family, which for me, was always what drove my passion for this kind of work and expertise...

...You all represent the very best that this profession has to offer and it was a privilege to work along side every single one of you. I believe this agency is trending in the right direction and that the current leadership will ensure continued success. I likely won't see most of you before I leave, but if you're ever in Vegas, come say what's up!

Take care of each other...

Love, Antorino"
