## MEMORANDUM

**TO: Mesa County District Attorney Dan Rubinstein**

**FROM: Sheriff Matt Lewis**

**DATE: May 21, 2021**

District Attorney Rubinstein:

This letter is being provided to you as notice of potential witness credibility issues involving a former employee, Brandon Barry. Upon the completion of MCSO Internal Affairs Investigation D19-036, I am advising your office that the investigation revealed a sustained finding of untruthfulness consistent with the holding in Brady v. Maryland (1968). The circumstances are contained within our Internal Affairs Investigation and may be available upon requests via a court order.

Please contact me with questions.

Sincerely,

A handwritten signature in blue ink that reads "Matt Lewis".

Sheriff Matt Lewis
