AN IMPORTANT MESSAGE ABOUT TRUTHFULLNESS...

One of the fundamental requirements of working in law enforcement is the ability of an individual to adhere to and demonstrate the highest legal and ethical standards. The Summit County Sheriff's Office has an unwavering stand on untruthfulness and dishonesty that can result in the dismissal of an employee who engages in such misconduct.

The same standard applies in the hiring and selection process. Unfortunately, it is our experience that a number of applicants in each hiring process will fail due to such misconduct. **If you are untruthful, dishonest, knowingly omit, falsify, conceal or obscure required information, or engage in any similar misconduct or deception during any part of the application and hiring process, you may be permanently disqualified from being employed by the Summit County Sheriff's Office.** Information regarding a candidate's disqualification may also be made available to other law enforcement agencies with an authorized request.

Please circle the correct answer to the following questions. If you answer "yes" to any question you must provide additional information about the circumstances, including dates. Attach additional pages if necessary. A "Yes" answer may not automatically bar an applicant from employment, however, you must provide detailed information about each "Yes" response. *Failure to provide the information requested will disqualify you from the process.* The relationship of the conviction to the job, as well as the severity and the passage of time will all be considered.

Have you ever:

1. Been convicted by any court of a felony or misdemeanor or entered a guilty or nolo contendere plea? — (Yes) or No
2. Used any illegal drugs in the last 2 years? — Yes or (No)
3. Have you used any form of marijuana in the last 2 years? — Yes or (No)
4. Been arrested for DWI or DUI in the last three years? — Yes or (No)

David Smith – Applicant – Summit County Sheriff's Office – 11.30.2018

In response to question #1 on page 5

--In September of 2006 I was with my friend Marisa and we were driving around, hanging out in our hometown of Arcadia, CA. I pulled into the Ralph's parking lot where my friend Dan was selling his Corvette. People often sell their vehicles at the corner of this parking lot along Foothill Blvd.

It was getting dark and I decided to use my new LED flashlight to show Marisa my friend Dan's Corvette that was for sale. I remember pointing it at the car, reading the details on the for-sale sign to her when somebody exiting the Ralph's parking lot turned towards us, most likely wondering what we were doing as it may have looked suspicious to them. I turned the light toward them and proceeded to follow their vehicle left onto Foothill Blvd.

After following them for a few stoplights, I believe they turned onto a small road in Monrovia. I did the same and followed. When I realized I was being immature and maybe scaring them, I turned down the opposite road that they turned on. At that time my plan was to exit the neighborhood but ended up going down a one-way road which led me right back in the direction of the other vehicle.

As I drove down the other direction, I noticed that they had parked at their home on the other side of the one-way road, they had exited their vehicle with what appeared to be a bat or piece of wood, maybe a 2x4 of some type. I stopped in as I still had Marisa with me and I was not looking for confrontation. I believe they waved or may have yelled to get out of the vehicle. I was about 40 feet away from them. I started to drive and when I got closer to the person, I drove around him as he swung the item in his hand. I then stopped after I thought I was a safe distance away from them and got onto my public address system that was installed in my truck and yelled something like "what on earth are you doing?" and I feel like I may have said "are you crazy"? I did end up nervously laughing while on the PA system and drove away.

When I got home with Marisa, I believe it may have been around an hour and Monrovia Police Department showed up to where I was staying asking me where I'd been that evening. I explained to them the story and they arrested me and towed my vehicle.

--In February of 2010, I was left The Rio Grande restaurant in Lone Tree, Colorado to go home after studying with classmates while attending The University of Phoenix. I was irresponsible for leaving just after having drinks and was pulled over and arrested for DUI. Upon speaking with the DA, and providing proof of registration and insurance, he dropped my DUI to a DWAI. I paid all fines and completed the required classes.

I would like the department to know that although during my younger years I was irresponsible behind the wheel, such as the incident in California in 2006, that those days are far behind me. I would never, in my life, attempt to run somebody over with my vehicle. Due to the circumstances of the situation where the guy had an weapon or item in his hand, I was not ready for a confrontation. I needed to get out of that situation and the only way was not exiting my vehicle but to drive around him, to avoid him, and that was accomplished.

Write a short paragraph explaining: a) why you are interested in becoming a deputy and b) why you are applying with the Summit County Sheriff's Office.

The brave men and women that protect and serve the communities are who I look up to most, and have for many years. Over the years, I have participated in seven ride-a-longs with different departments. I have a passion for people and there is no more fulfilling way to help others in need, than to serve others in need. I possess the leadership, people management skills, dedication and commitment to being a valuable deputy to your department. Other than spending most of my free time in the mountains, I personally live up to the same standards and values as Summit County Sheriff's Office.

AFFIDAVIT:

I certify that the answers given by me to the foregoing questions and statements are true and correct without consequential omissions of any kind. I authorize the companies, schools or persons named above to give any information regarding my employment, character and qualifications. I authorize the Summit County Sheriff's Office to conduct a background investigation pertaining to my suitability for employment which may include a criminal history check. I hereby release said companies, schools or persons from all liability for any damage for issuing this information. I understand and agree that any misleading or incorrect statements or omissions may render this application void, and if employed could be cause for termination and this employer shall not be liable in any respect for such action or termination.

I understand that any false statement in this document or willful misrepresentation will result in disqualification from the application process. If the misrepresentation is discovered after hiring, I may be subject to an inquiry and appropriate administrative or disciplinary actions, up to and including termination.

As an applicant for employment with the Summit County Sheriff's Office I understand that, if hired, I must comply with the Employee Drug and Alcohol Policy. Additionally, I agree to submit to a physical exam, pre-employment drug screening test, a polygraph test, and other tests as required by the Summit County Sheriff's Office.
