Mr. Donald Rea

Ignacio, CO 81137

Dear Mr. Rea:

Michael Korda once said that "Success has always been easy to measure. It is the distance between one's origins and one's final achievement . . ." I am therefore, pleased to congratulate you for your success by placing you on the **Spring 1999 President's List** at Pueblo Community College. Many students begin with both the potential and opportunity to reach this milestone but only a select group ever reaches this level of success. Your current 4.00 grade point average represents an outstanding achievement and is an indicator of the success you should expect of yourself in the years ahead.

Pueblo Community College is committed to providing excellence in its educational programs and services. Because of our desire of quality, it is a pleasure and an honor to recognize your high standards of academic excellence. I am proud to have you as a PCC student, and I look forward to your continued success.

Sincerely,

Joe D. May
President
