RE: MARTIN, DUSTIN DOB: 120988

No Colorado Record of arrest has been located based on information provided.

The Colorado Bureau of Investigation's database contains detailed information of arrest records based upon fingerprints provided by Colorado law enforcement agencies. Arrests, which are not supported by fingerprints, will not be included in this database. On occasion the Colorado criminal history will contain disposition information provided by the Colorado Judicial system. Additionally, warrant information, sealed records (except those allowed per state statute 24-72-703), and juvenile records are not available to the public.

The results attached are based on a name search which may or may not be the subject of this inquiry. This search does not include a fingerprint comparison, which is the only means of positive identification. Since an arrest record may be established after this inquiry, an arrest record is only valid at the time of the current request. To ensure the most current available information in regards to subsequent arrest after an initial inquiry, it is recommended another query be made.

Falsifying or altering this document with the intent to misrepresent the contents of the record is prohibited by law, and may be punishable as a felony when done with intent to injure or defraud any person.

Sincerely,
Armando Saldate III, Director
Colorado Bureau of Investigation

COLORADO CRIMINAL HISTORY INFORMATION SHEET

1. WHO IS CRIMINAL JUSTICE/LAW ENFORCEMENT?

"Criminal justice agency" means any court with criminal jurisdiction and any agency of the state or of any county, city and county, town, boards of institutions of higher education, school district, special district, judicial district, or law enforcement authority which performs any activity directly relating to the detection or investigation of crime; the apprehension, pretrial release, posttrial release, prosecution, correctional supervision, rehabilitation, evaluation, or treatment of accused persons or criminal offenders; or criminal identification activities or the collection, storage, or dissemination of arrest and criminal records information.

2. DEFINE LAWFUL USE OF THE RECORDS.

Records shall not be used by any person for the purpose of soliciting business for pecuniary gain. The official custodian shall deny any person access to records of official actions and criminal justice records unless such person signs a statement which affirms that such records shall not be used for the direct solicitation of business for pecuniary gain.

3. WHO ARE FINGERPRINT CARD CONTRIBUTORS?

Fingerprint card contributors are "Criminal Justice Agencies," as defined above (#1).

4. WHAT IS A DISPOSITION?

The disposition of a charge means the end result of what happened with all charges filed in court.

5. WHERE CAN I GET A DISPOSITION IF IT IS NOT POSTED TO MY CBI RECORD?

You can get copies of your dispositions from www.cocourts.com for a nominal fee. These records are also available from the courts in which you appeared. If your case never went to court, you may be able to get the records from the arresting agency itself (the police department or sheriff's office) or the district attorney's office in the jurisdiction where you were arrested.

6. WHAT JUVENILE RECORDS ARE RELEASED TO THE PUBLIC?

The records of law enforcement officers concerning juveniles, including identifying information, shall be identified as juvenile records and shall not be inspected by or disclosed to the public. The only Juvenile records released to the public are those juveniles that have been charged as adults. DUI and minor traffic violations are also releasable if the juvenile is over 16 years old when the offenses occur. Juvenile registered sex offender records will also be released.

7. WHAT IS A SEALED RECORD AND HOW CAN I GET MY RECORD SEALED?

A sealed record is not available to the general public, it is only disseminated according to Colorado Revised Statutes. A party to the case may petition the court to seal records in the county where the criminal records are filed. You can obtain information on sealing your record from the State Judicial website, www.courts.state.co.us, or from the court in which you appeared.

8. WHO DO I CONTACT IF I HAVE A DISPUTE WITH MY RECORD?

Any person in interest who is provided access to any criminal justice records shall have the right to challenge the accuracy and completeness of records to which he has been given access, insofar as they pertain to him, and to request that said records be corrected. You can do a record challenge at CBI (for information on this procedure go to the website, www.cbi.state.co.us/id or call (303) 239-4208. You can also take your dispute directly to the arresting agency.

9. WHAT ARE COURT FILING ON DOCKET ENTRIES?

These entries on the CBI record are displayed electronically on the Colorado criminal history by the State Judicial Department. They are currently posted from district court cases and they are based on the court case number, the arrest number, the last name of the individual, and the arresting agency.

10. WHAT IS DOC INCARCERATION SENTENCE?

DOC Incarceration Sentence is not a new arrest entry on the criminal history. When a person is convicted of a crime and they are sentenced to the Department of Corrections, an entry is made into the criminal history showing the charge the person was convicted of and how long the jail sentence was.

11. WHAT SEX OFFENDER INFORMATION WILL BE RELEASED WITH THE RECORD?

A registered sex offender notation will appear on a criminal history when an individual is currently registered as a sexual offender with a local law enforcement agency in Colorado, pursuant to Colorado Revised Statute (CRS) 16-22-110 (6)(b). Once the individual is no longer actively registered as a sexual offender with a local law enforcement agency, the sexual offender notification on the criminal history will be removed. When an individual is no longer required to register as a sexual offender, either by court order or statute, the sexual offender notification on the criminal history will be removed. For additional information pertaining to the Colorado Sex Offender Registration Act (CRS 16-22-101 thru 16-22-115), please refer to the CBI SOR website or email cdps.cbi.sor@state.co.us.

12. DOES CBI RELEASE WARRANT INFORMATION? WHAT IS A FUGITIVE OF OTHER JURISDICTION ENTRY?

CBI does not release warrant information to the public. If you know what agency the warrant is out of, you will need to contact that agency for the information. That agency may or may not be able to release the warrant information; depending on their policy regarding the release of such information. The website, www.cocourts.com, may also provide some warrant information. A Fugitive of Other Jurisdiction charge means that the person in question had a warrant out of one law enforcement agency and was arrested by another agency for that warrant. The person does not necessarily have an active warrant out for their arrest.
