On 01/29/26, Officer E. Graff/7181, contacted me, [REDACTED], advising of a suspect contact he had where he failed to activated his BWC. He explained he had BWC footage of the initial contact he made, but had turned it off when he responded to a second location to contact the suspect. He failed to activate his BWC prior to contacting the suspect, and didn't realize he was not recording until after the suspect was released from custody.
