The facts establishing probable cause for arrest are that on March 16, 2026 at 1:23, in the county of Larimer, State of Colorado, at N Madison Ave / E Eisenhower Blvd,LOVELAND, CO, 80538 the following activity occured:

On 03/16/2026 at 0129 hours, I responded to a traffic stop located at N Madison Ave and E Eisenhower Blvd.

On my way to the traffic stop, I read in the call notes that Sergeant Burnett had stopped a red GMC Sierra with a CO plate of EOIT89. The vehicle was stopped because Sergeant Burnett observed the truck driving eastbound in the #2 lane. The vehicle then weaved into the #3 lane by half its vehicle width then back into the #2 lane. Shortly after it weaved in the same fashion into the #1 lane then lack into its lane.

When I arrived on scene, I talked with Sergeant Burnett who said that the car smelled like alcohol and the driver had red bloodshot watery eyes. He further told me that the driver of the vehicle JOHNATHAN TOLLEFSON (DOB 10/26/1972) was clear and valid. He informed me that based upon this evidence, he was going to have the driver exit the vehicle. After he exited the vehicle, I would conduct voluntary roadsides.

Upon approaching the vehicle with Sergeant Burnett, he asked the JOHNATHAN to exit the vehicle. JOHNATHAN told Sergeant Burnett that he did not have to and that if he exited it had to be voluntary. Sergeant Burnett informed JOHNATHAN he was incorrect and asked him to exit the vehicle again. JOHNATHAN once again refused and was removed from his vehicle. I placed JOHNATHAN in handcuffs while Sergeant Burnett informed him that he was being arrested for obstructing and suspicion of driving under the influence.

I placed JONATHAN into custody and read him Colorado Express Consent. JONATHAN elected a breath test, which provided a result of 0.230 BAC.
