RE: Case number P200611005

Dear Richard:

Thank you for the case you referred to mediation on November 27th, 2006. The parties were [REDACTED] and Officer Mike Nuanes. If you recall, this was the case where the complainant felt the officer, who was working off-duty at a night club, pushed her unnecessarily away from the scene and toward her car.

Lowrey Mumford met with the parties on November 28th, 2006. The process allowed the parties to explain the situation from their perspectives. Mediation gave them the opportunity to understand the actions taken, and how the situation evolved. Both parties took advantage of having a chance to speak with each other; they were open and honest in their dialogue, and listened carefully to the other person. I believe they appreciated the opportunity to discuss the situation. They found the process helpful and beneficial.

Thanks again for the referral.

Sincerely,

Steve Charbonneau
