Case Closed		

Petitioner appears pro se for an ex parte request of a Temporary Protection Order. Defendant does not appear.

Petitioner sworn and testified and presented text messages. The court inquired about additional text messages and Petitioner asked for a recess to retrieve the messages. The Court took a recess to allow for Petitioner to go and retrieve additional text messages to present to the court.

After a recess, the court asked if the Petitioner would like to approach and present additional evidence to the court. Petitioner was visibly upset and declined to present additional text messages. Petitioner made a statements that the court had already denied her request and quickly left the courtroom without the court being able to rule on the request. Since Petitioner left the courtroom without waiting to hear the court's ruling, the court finds that Petitioner withdrew her request for a protection order and the case is dismissed.
