Ms. Freeman,

I am writing in response to your request for internal investigation reports relating to Richard Norton. An internal investigation was initiated in April 2022 to investigate internal complaints involving Richard Norton, who was employed as a Broomfield Police Officer at that time. Richard Norton resigned from the Broomfield Police Department on July 6, 2022.

Because the investigation did not involve an allegation of misconduct involving a member of the public, the investigation file is not subject to release under C.R.S. 24-72-303(4)(a).

Please contact me if you have any questions.

Best Regards,

Jeff Thompson
