house. They also took pictures and found a casing of a 40 caliber in the house. The officers questioned Ryan, and [REDACTED] Ryan's 7 year old son was home as well as [REDACTED] 16 year old who was up in bed. [REDACTED] apparently corroborated Ryan's story. The 16 year old was up in bed but heard arguing like Ryan and [REDACTED] were fighting, and the loud bang. There was no physical altercation or arrests. They did not have any charges last night. I told the officer to please send me a copy of the report, as I believed that the gun that was discharged may have been his or her duty weapon. I told the officer to make sure and handle it as any other case, and let me know what they decided to do
