On 02-06-16 I received an email from AVCF Warden Sean Foster asking if I could pick up a copy of a report due to an Officer Sgt Troy Daniels being arrested for Domestic Violence.

As of 03-07-2016 several attempts have been made to get a copy of the police report from Fowler PD. I have made two attempts by going into the office only to be told the report wasn't complete. I have made approx. 8-10 phone calls with only two calls being returned to be told that once that they would email the report, one other time to be told that they would fax it to me, this was from the arresting officer and no report has been received. The other phone calls all go through the Rocky Ford Police Dept as they dispatch for Fowler PD, with those calls I have never received a phone call in return.

On 03-11-16 Officer Troy Daniels brought me a copy of the PC Affidavit that was used in his domestic violence case. This is what the officer from Fowler PD gave him when he requested a copy of the report. A copy of the report will be placed with the report.

Nothing further.
